Dear Sir

I take the liberty of writing to you in regard to the Loan of a Horse your son Frankelin Borrowed from me last fall to Ride home as he stated to me He got my sons horse and from the Best information that I have after he started he Ran him 6 or 7 miles up Hill & down Hill in neighbourhood of Mr Briggs the horse showed great signs of distress on account of which he got off and as he states it let the Horse loose with the Bridle and Saddle on Mr Samuel Briggs found the horse dead and had the Saddle & Bridle taken off him

Frankelin Refuses to pay for the horse and I look to you to do something in the Case I do not wish to have a law suit about the Cause I will propose that we Arbitrate the Matter as my son is not willing to loose his horse with the facts so plain I would respectfully ask your consideration to the Matter at your

Earliest Convenience and would ask you  
to see Mr Samuel Briggs N. P. Rook and  
James H. Mathews for information in this  
Case as I am satisfied if <sup>you</sup> will do so that  
we will be able to settle the matter without  
any trouble Please inform me if you will  
leave this matter to referees so that I may  
know what to do and act accordingly
